Terri Goodman & Associates is an approved provider of continuing nursing education by the Texas Nurses Association - Approver, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation

Expert speakers, practical applications, knowledgeable attendees, and a highly engaging learning environment make APIC-DFW's annual one day education conference your best professional investment in infection prevention education.

You'll benefit from additional learning opportunities and networking found at larger conferences, including a vendor exhibition hall and breaks where you are encouraged to meet IPs and other healthcare professionals who share similar challenges and opportunities. APIC-DFW membership includes past APIC National Presidents, APIC Fellows, and was nationally recognized as an exemplary APIC chapter.
